

Euromoney Water Events presents
Money₂Water - Global Water Investment Summit.
7-8 May 2014 | Grange St Pauls | London, UK
www.money2water.com
Supported by Watervent (Leonhard ventures)

Euromoney Water Events has been created to bring together the participants in the international water industry. Compiled in collaboration with an Advisory Board of highly regarded industry names, Money₂Water covers Water from an investment, finance and innovation perspective.

M₂W aims to provide a platform for key stakeholders to network, exchange investment opportunities and explore new technologies. Join us in London and get involved in the water challenge.
